**Re: Carper for Senate
FEC ID No. C00349217**

Dear Ms. Hubbard:

This is in response to your letter dated March 14, 2006 concerning the Year End Report (10/1/05-12/31/05) of the above-referenced Committee.

You have asked about Column B figures and election cycle-to-date discrepancies on the report filed by Carper for Senate (the "Committee"). The Committee will file an amendment to its report to correct the Column B figures and cycle-to-date totals.

You have also asked about election cycle-to-date totals for two PACs. The Committee has checked its records and found that all contributions from the two PACs you question were itemized on its FEC reports. There were duplicate records for both donors in the Committee's database, but the records have been combined and the cycle-to-date totals will be amended. In addition, a contribution from the Committee on Letter Carriers Political Education received on March 11, 2002 was mistakenly reported with an incorrect identification number, although the remainder of the information was accurate. The correct identification number for the donor is C00023580.
